Pita Plus, Kosher Pastry Oven, and Kosher Mart Top Survey of Area Kosher Restaurants, Stores and Bakeries

Silver Spring, MD (May 8, 2008) — The results of the third annual Washington DC area kosher survey conducted by Kosher Community Surveys LLC have just been released. The survey asked local consumers their opinions of area kosher stores, restaurants, and bakeries. The overall winners are:

- ◆ Best Overall Kosher Restaurant – Pita Plus
- ◆ Best Overall Kosher Bakery – Kosher Pastry Oven
- ◆ Best Overall Kosher Store – Kosher Mart

Other establishments with strong ratings include the Shalom's Kosher Market and Dunkin' Donuts. Neil Rosenbaum, President of Kosher Community Surveys LLC, said, "There was a shake-up this year in this year's finalists with previous year's challengers overtaking previous winners." Over 575 people participated in this year's survey. Mr. Rosenbaum commented, "Community interest in sharing feedback is clearly evident by the record breaking level of participation in this year's survey."

The results of the survey are compiled and published in the final report that can be found on the company's website. The final survey report provides significant insight into the community's collective opinion on Washington DC area kosher establishments. The report is a unique resource for consumers to use in deciding which businesses to patronize. In addition, the results of the survey can provide restaurants, bakeries and stores with guidance on how to better serve their customers. The survey will be conducted on an annual basis to provide Washington DC citizens and visitors a means to evaluate changes in the quality of kosher establishments.

About Kosher Community Surveys LLC

Kosher Community Surveys LLC conducts consumer surveys of kosher restaurants, bakeries and stores across the country. The company is the only organization of its kind - collecting and producing reports on the quality of kosher food establishments on a geographic market-by-market basis. The organization is dedicated to the improvement of the kosher food sector through customer feedback and providing recognition to those establishments with the highest quality food and service in their respective markets.
